THAT  
PIG  
...

I really like seeing characters getting along and being friendly friends so this chapter was godly for me the last volleyball chapter was great also

I can probably read 50+ chapters of them just playing volleyball and not get bored

GOOD RIKIO!

SWISH

I used to have grotesque hallucinations? delusions? just lame imaginations? as well, but it was always about me tripping on nothing and crushing a part of my body from the impact of hitting the ground haha so I would see myself all bloody and messed up, with brains and other stuff splattered all over the place without trying to think about it

**BUT I CAN'T HANDLE GROTESQUE STUFF**
